Annual Report 2022-2023

It is a matter of great honour and privilege for me to present the annual report of Government PG College, Sector-1, Panchkula for the session 2022-23. From its humble beginning in a rented premise in 1983 to this sprawling lush green campus spread over an area of 12.5 acre, the college is known as a 'hub of education' because of its prime location and being the only college offering different post graduate courses in the vicinity. It has progressed by leaps and bounds to achieve the status of the 'College of Excellence'.

It gives me immense pleasure to share with you that our college has been accredited with B++ grade in the year 2021 by the National Assessment and Accreditation Council (NAAC). Situated in the foothills of Shivalik the college caters to the needs of around 3143 students of Panchkula and nearby areas. Under the continuous guidance and support of highly dedicated and efficient teaching staff, the college runs 11 Post Graduate courses and 10 Undergraduate courses. Besides traditional courses the college also runs professional courses like B.P.Ed, PG Diploma in Journalism and Mass Communication, PG Diploma in Computer Application and the newly introduced PG Diploma in Nutrition and Dietetics to sharpen the academic as well as professional skills of the students and for their better career opportunities.

It consists of an Administrative Block, an Arts Block, a Science Block, a Commerce Block, an IT Block, a Seminar-cum-Conference Hall, an Auditorium, a well-furnished Staff Room, a two-storey Library, Boys Hostel, a Day Care Centre and a Canteen. Recent addition to this is Startup-Incubator-Cum-Centre of Excellence, a new initiative of the Department of Higher Education, Haryana in collaboration with Start-up Accelerator Chamber of Commerce, to promote self-employment and entrepreneurial competencies in the youth of Haryana. With a sitting capacity of 80, it has state-of-the-art infrastructure and a mentoring room.
