Summary:

30 percent of students have accepted more than 70 percent of the syllabus covered in the class and 58% students are of the view that the teachers were well prepared for the lectures. More than half of the students agree that internal evaluation process is always fair and their performance in the class is always discussed. Students are guided for the further improvements. Most of the students are satisfied with the institution for taking an active interest in promoting internship, student exchange and field visit opportunities for students. Approximately 70 % of students have agreed that the teaching and mentoring process facilitates their cognitive, social and emotional growth. Maximum number of students have agreed that teachers use experiential learning, participation of students and problem solving methods in their teaching process. Almost 45 % of students are satisfied with their teachers using ICT tools to make the teaching learning process effective. The teachers identify their strengths and weaknesses and help them to excel accordingly. Students are constantly encouraged to participate in extracurricular activities. Maximum percentage of students are of the view that the institution is continuously making an effort to engage students in monitoring, review and continuous quality improvement of the teaching learning process. Overall, the students are satisfied with the institution and how teachers are guiding them towards the betterment and enhancing the learning experience for the students.

ALUMNI FEEDBACK REPORT (SESSION 2022-23)

The educational institution in question has garnered commendable recognition for its academic offerings, particularly those courses aligned with students' current professional pursuits. These programs have achieved a significant satisfaction rate, surpassing 68%. This affirmation underscores the institution's ability to provide education that is both relevant and of high quality, tailored to meet the demands of the contemporary job market.

Moreover, the institute's admission procedure has been praised for its efficiency and effectiveness, boasting a satisfaction rating that exceeds 55%. This demonstrates a well-structured and streamlined approach to enrollment, ensuring a positive experience for prospective students.

The institution's dedication to providing an exemplary learning environment is further evident in its superior infrastructure and state-of-the-art laboratory facilities. Both have received satisfaction ratings exceeding 55%, indicating a commitment to offering students the resources essential for their academic success.

The faculty members at the institution are highly esteemed, with a satisfaction rating exceeding 60%. This recognition speaks to their expertise, commitment, and the impact they have on students' intellectual development.

Principal
Govt. PG College,
Sector-1, Parichikula

In addition, the institution's library facilities, with a satisfaction rating surpassing 60%, underscore its investment in creating a comprehensive and enriching academic resource environment.

The administrative staff also merits accolades, as their professionalism and service quality have earned a satisfaction rating of over 70%. Their efficient and courteous approach significantly enhances the overall experience of students.

While the canteen facilities, rated at more than 45%, provide a satisfactory dining experience, the hostel facilities, with a rating exceeding 55%, offer secure and comfortable accommodation options.

In summary, the institution's excellence across these diverse dimensions culminates in a highly positive overall rating, surpassing 65%. This reflects its ability to provide a well-rounded educational experience, encompassing academic quality, robust infrastructure, dedicated faculty, and efficient support services, making it a distinguished choice for aspiring students.
