Strategies for Advanced and Slow Learners (2023-24)

Programmes for Slow Learners:

1. Bridge Courses – Special bridge courses by the Psychology, Botany, and Zoology Departments help students without prior subject of the subject.
2. Student Counselling Cell – The counselling cell managed by Psychology department provides counselling sessions to address students' problems in various aspects.
3. Mentoring – The mentor-mentee groups are made at the start of every session to discuss progress, address concerns, and provide personalized guidance.

Programmes for Advanced Learners:

1. Library books and E-Resources – College library has extensive collection of books and electronic resources, encouraging self-paced learning and research.
2. Seminar/Workshops/Paper Presentation/Talks – Various such activities are scheduled from time to time for overall growth of students.
3. University/Inter-Collegiate/Department Level Programmes – Various events are organized at the department, college and university level to motivate students for participation.
4. Merit Day – Annual Prize Distribution is organized every year for meritorious students.
5. Career Guidance – The Placement cell organizes job fair every year which helps in the shaping the career of the students.
