Subject: Permission to conduct "Physical Efficiency Test" for new admissions in the B.P.Ed. (2 years course)- 2023-24 and preparation of merit list for the same course.

R/Madam,

With due respect it is to mention that the process of new admissions in B.P.Ed. (2 years course)-2023-24 is in progress. We had received the offline admission forms up to 20/07/23 for admission. Now the Physical Efficiency Test will be conducted on 25/07/2023 in the college sports ground as per the guidelines. All the candidates will be informed about date and instructions telephonically and through SMS. Merit list will then be prepared for all the eligible candidates. It will be displayed as per further schedule.

Hence it is requested that permission for conduct of Physical Efficiency Test and preparation of merit list may please be granted so as to complete the admission in time.

Thanking you.

Dr. Ram Mehar

Convenor

B.P.Ed. Admission Committee.

Department of Physical Education

Date: 22 July 2023
